Re: Proposed annexation to the
City of Long Beach
"Increment No. 159"

Dear Miss Heartwell:

At the meeting held on October 10, 1956, the County Boundary Commission reviewed the boundary description and map submitted by Mr. Atlee S. Arnold, Deputy City Attorney, Suite 600, City Hall, Long Beach 2, California, with his letter of September 26, 1956, of the proposed annexation of territory to the City of Long Beach.

Although the boundaries submitted do not create islands or corridors of unincorporated territory, and conform with lines of assessment as nearly as practicable, upon recommendation of the County Engineer slight revisions were made in the boundary description to provide the definiteness and certainty intended under the provisions of Section 35002 of the Government Code. Said revisions were in the wording of the boundary description and made no change in the location of the boundaries as shown on the map.

With these revisions, the County Boundary Commission approved the boundaries of the above proposed annexation. A copy of the approved revised legal description is enclosed for your use.

Very truly yours,

Attention Mr. G. T. Nesvig, Secretary

Dear Sir:

CITY OF LONG BEACH
"Increment 159"

In compliance with your request of September 27, we have reviewed the submitted legal description of the proposed boundaries of this annexation and report as follows:

1. The boundaries conform with lines of ownership.
2. A corridor of unincorporated territory is created between the southeasterly boundary of this annexation and the boundary of the County of Los Angeles; however, eliminating this corridor would cause an island of unincorporated territory to be formed.
3. Other boundaries are shown in relation to the proposed boundaries of this annexation on the enclosed map.
4. The legal description as submitted requires revision to provide definiteness and certainty in accordance with Section 35002 of the Government Code.
5. Because of item 4 above, we have prepared the enclosed revised description which we recommend that the Commission approve and forward to the proponents.

All original papers regarding this matter are enclosed.

Yours sincerely,
